

Supplier Code of Conduct

Sustainability is a strategic priority for Plasman. We strive for compliance by committing to relevant international standards, laws, regulations, and customer requirements. We take responsibility for our products, production, and supply chain in order to deliver sustainable solutions.

Purpose and Scope

The purpose of the Plasman Supplier Code of Conduct is to define minimum sustainability requirements for all Plasman suppliers, including Suppliers that deliver goods and/or services. This Code of Conduct is an integral part of the agreement between Supplier and Plasman.

General Requirements

1. Supplier shall comply with all the Requirements of the Supplier Code of Conduct.
2. Suppliers shall comply with all applicable laws and regulations as well as the contractual terms and conditions agreed upon with Plasman.
3. Supplier shall be transparent and disclose legally required permits and licenses upon request.

• BUSINESS ETHICS

- Supplier shall respect and comply with applicable fair trade, competition and anti-trust laws and regulations.
- Supplier shall not engage in any form of bribery or corruption, and shall avoid situations where private, financial or other external interests conflict with the job responsibilities of employees.
- Supplier shall respect Plasman's confidential information and intellectual property rights and comply with the laws governing data privacy.

• HUMAN RIGHTS AND WORKING CONDITIONS

- Supplier shall respect human rights; including the process where employees may choose to be part of trade union or similar external representative.
- Supplier shall comply with applicable laws and collective bargaining agreements and pay at least the minimum wage laid down by local law.
- Supplier shall not tolerate forced labor or modern slavery.
- Supplier shall comply with applicable laws regarding working and resting hours, and sick and parental leave.
- Supplier shall not directly or indirectly allow or use child labor and nobody of the Suppliers' or its subcontractor's employees shall be below the minimum legal age for employment.
- Suppliers shall not engage in any form of discrimination based on race, ethnicity, nationality, age, gender, religion, union affiliation, disability, pregnancy, political affiliation.
- Supplier shall not tolerate any form of harassment and abuse.

• HEALTH AND SAFETY

- Suppliers shall provide its employees with a safe and healthy working environment that minimizes the incidence of work-related injuries
- Supplier shall ensure that its Employees' potential exposure to safety hazards are identified, assessed and controlled. Where hazards cannot be adequately controlled by these means, employees shall be provided with appropriate personal protective equipment including access to first-aid supplies.
- Supplier shall comply with hazardous material restrictions set by applicable laws and regulations.

• ENVIRONMENTAL STEWARDSHIP AND RESPONSIBLE SOURCING

- Supplier shall strive to reduce their negative environmental impact.
- Supplier shall monitor, track and document its consumption of natural resources such as water, energy and raw materials.
- Suppliers shall monitor, track and document its emission to water, soil and air, and its waste.
- Supplier shall implement responsible handling of potentially hazardous substances including (transportation, storage, and disposal) and supply employees with adequate personal protective equipment when applicable.
- Supplier shall comply to applicable laws and regulations regarding prohibition or restriction of specific substances (including tantalum, tin, tungsten, gold, cobalt).
- Suppliers shall be transparent on raw materials origin upon request.
- Suppliers shall report substances used in the products delivered to Plasman through the International Material Data System (IMDS).

PLASMAN™
ONE DRIVING FORCE™
Supplier Code of Conduct

Compliance statement

Plasman requires suppliers to report non-compliance with this code of conduct to their Purchasing contact. Plasman reserves the right in the event of non conformity to exercise early termination for cause of the business relationship with any supplier and/or present an acceptable countermeasure/remedy plan to correct the non conformity.
